SUBJECT: Letter Of Appreciation To Sterling Engineering On Steel Structure Conquas

Dear Sir,

We referred to the steel structure conquas inspection conducted by BCA on 19 August 2010 at the project, Umar Pulavar Tamil Language Centre at 1 Beatty Road.

We are very delighted to the conquas result that was stated a 100% scoring points by BCA and are truly appreciated that the efforts and workmanship that your company had putted in for producing such high quality to obtain such result from BCA conquas.

The letter herewith to your company and staffs by us, BHCC for compliment appreciation and recognize your quality work and trust that your company will continuous the high quality standard to our current project and also to the construction industrial in Singapore as well as foreign market.

Well done to all staffs of Sterling Engineering Pte Ltd and congratulate for the first attempt for achieving a full score from BCA.

Yours Faithfully
